PROFESSIONAL EXPERIENCE

CRM & Marketing Automation Manager

Digital Business School | Paris · Jan 2025 – Present

- Own demand generation from website to CRM for five school brands: campaigns, landing pages, forms, CRM and Sales handoff across B2B and B2C audiences.
- Designed the HubSpot and Odoo CRM architecture from scratch (properties, lifecycle stages, pipelines, B2B/B2C scoring) and launched eight nurture workflows: +25% MQL-to-SQL conversion.
- Build and maintain brand sites (pnbs.fr, pnff.fr, unicours.fr) in WordPress/Elementor and HTML/CSS, incl. GTM, forms and UX; manage OVH hosting, DNS, subdomains and 301 redirects; set up secure, GDPR-compliant forms mapped into HubSpot.
- Cleaned and enriched 45K+ contacts (SQL, Excel); built 15+ Make/Zapier automations (CRM ↔ GA4 ↔ prospecting sync, Sales alerts), briefing developers on API integrations.
- Contribute to Meta and TikTok Ads campaigns for enrollment periods, with Google Ads in support; Looker Studio dashboards on CPL, CAC, LTV and stage conversion by brand.
- Manage one work-study marketer (communication, social content, Meta and TikTok Ads); design small logos and visual refreshes for programs; define MQL criteria with Sales.

CRM, ABM & Data Marketing

Fondation Horizon & Beyond | Paris · Jun 2024 – Dec 2024

- Designed the logo and branding of the MOOC de la finance durable (launched Nov 2024 with ILB and IFD), then set up its white-label B2B offer: partner-branded instance, custom subdomain and DNS on OVH.
- Built the HubSpot CRM from scratch (properties, account tiers, deal pipeline) and ran ABM for institutional banking and finance prospects: 12 accounts activated in six months.
- Ran account-level B2B sequences triggered by engagement signals, with contacts captured and tagged at sector events: 32% open rate, 8.5% CTR.

Growth Marketing Manager

Scorp INC (B2B scale-up) | Istanbul · Sep 2020 – Nov 2023

- Drove brand awareness and demand generation for three B2B mobile apps: positioning, content calendar, social media and product launch campaigns.
- Ran lead generation campaigns on paid social and LinkedIn, with dedicated landing pages and lead forms feeding the Sales team.
- Supported the visual rebranding of the three apps (logo refinements, store visuals, email templates) for a consistent brand across channels.
- First hands-on CRM work: set up Brevo email campaigns (onboarding, reactivation) and a simple Salesforce lead pipeline with Sales; tracked results in Data Studio.

EDUCATION

- École 42 Paris: Piscine, 4-week intensive programming bootcamp (Unix shell, C, Git, server-side work)
- Advanced Data Analytics Bootcamp: Wild Code School, 2024 (SQL, Power BI, data visualization)
- Master's in Ethics and Corporate Social Responsibility: Université Paris 1 Panthéon-Sorbonne, 2023–2024
- Master's in Digital Marketing: Institut Mines-Télécom Business School, 2021–2023
- Bachelor's in Philosophy and Communication: Galatasaray University, 2015–2020
